Total frihed Dit tæppe – dit design

Drømmer du om selv at designe tæppets form, så det passer præcist til dit hjem? Med Funky Feet giver vi dig muligheden.

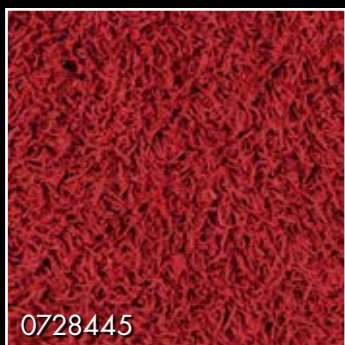

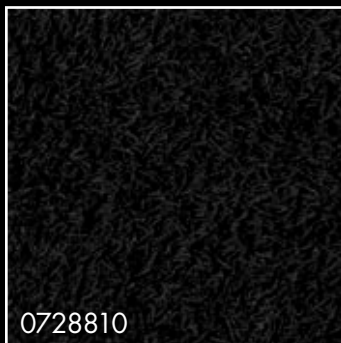

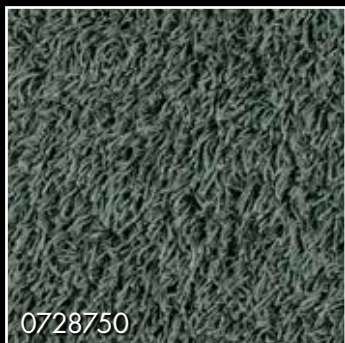

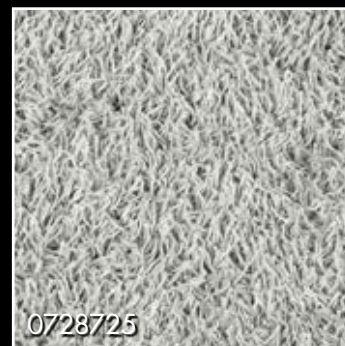

Skab et helt unikt tæppe blot ved at indlevere en tegning, der skitserer den form, tæppet skal have. Alt er muligt, blot der er angivet ét målfast mål på hver led af tegningen. Tæppet kan tilpasses boligens skæve vinkler, gengive formen på et smukt kunstværk eller barnets yndlingsbamse.

Du kan også vælge et kvadratisk, rektangulært eller rundt tæppe i den størrelse, der passer dig.

Tæpperne i Funky Feet kollektionen er fremstillet af 100% polyamid. Tæppernes livstruktur og farvespil giver et unikt udtryk, som er perfekt til at skabe en blød og personlig stemning i rummet.

Vælg mellem 9 moderigtige farver.

Design selv tæppets form. Her ses nogle eksempler til inspiration.

Angiv venligst max. længde/bredde mål ved bestilling.
